25TH INFANTRY WINS OVERTIME GAME FROM ST. LOUIS YESTERDAY

Rogan's Singles Brings in Winning Run in Tenth Inning—Bill Janssen Holds Colored Soldiers Hitless Six Innings—Waterhouse Pitches One-hit Game for Seven Innings—Chinese Win From Honolulu in First Game

Members of the Oahu League teams had watched the overtime game of the Juniors on Saturday, and yesterday decided that they would do a little overtime themselves. As a result the 25th Infantry team won from the St. Louis squad by a score of 3 to 2, and a large number of fans went home to their kukaia perfectly satisfied.

"Well, it took Rogan to do it," the St. Louis players said, and Rogan had a merry time winning. He pitched the last three innings after Waterhouse had wavered and fanned seven men in the trio of frames. Waterhouse was taken out after St. Louis had tied the score on errors. The Big Chief should be perfectly satisfied, as the Saints only secured one hit off his delivery while they bumped Rogan for twice the number.

Janssen Shines. Bill Janssen, who was on the mound for St. Louis, pitched great ball for six innings, and the heavy hitters of the 25th did not secure one measly bludge off his delivery. Nye had made the only hit off Waterhouse, and the fans were much pleased with the pitcher's battle.

Then Gollah came up in the first of the seventh and hit one at Janssen, who made an effort to stop it and injured his hand, being forced to leave the box. Moriama then took Janssen's place and retired the next three batters. Rogan went in the box in the eighth and held the Saints scoreless.

Rogan Whiffs. Jackson scored in the first on an infield hit, after he had been passed. Janssen fanned Rogan, St. Louis went out in order in the first. Janssen fanned Gollah and Fagin in the second, and Hoke got Smith. St. Louis failed to hit Waterhouse in the third, and Rogan made the total two when he walked, stole second and third and scored on Soares' error.

St. Louis scored in the fifth inning on errors by Smith and Hawkins, and an infield hit. They tied it up in the seventh on errors by Smith and Waterhouse. In the sixth inning Crawford had walked and then stole second and third, and Janssen then fanned Slugger Johnson for the second time.

There Goes Your Old Ball Game. It all came about in the tenth inning, and St. Louis lost a chance to win. Moriama had been pitching heady ball and the crowd expected another long game. Fagin hit to left and Peterson tried to reach the ball but failed, and the batter jaunted to second. Swinton sacrificed and then after Jackson was safe on an error Rogan came up and planned the first ball to left for a single, and the game was over.

From the standpoint of the spectator it was a great game throughout, despite the fact that the 25th Infantry team juggled the ball on many occasions. All four pitchers worked in fine fashion and Moriama, considering the fact that he had no chance to warm up, pitched nice ball. Janssen was right in form and demonstrated that he is to be counted on for future games. Waterhouse has made a hit with the fans, as he has pitched 16 innings in the last two games with only two hits registered against him. Chinese Win.

The Chinese team finally hit their stride, and in the curtain raiser yesterday afternoon at Athletic park proceeded to make up for the past by trimming the Honolulu by a score of 6 to 1. Hoon Ki was on the mound, and pitched consistent ball throughout. "Blondy" Williams, for the Honolulu, kept the hits well scattered, but one error caused three runs in the seventh inning.

En Sue played great ball yesterday, as he started in nearly every department of the game. He scored three runs, made three hits and purloined three sacks. Kan Yen also starred at bat as well as in the field, and took care of 10 hard chances at short without a bob. To make a good day he added two stolen bases.

Ah Lee was stationed at first base and handled the new position in good shape. In addition to this he brought in three runs on his single, added by

A. L. Andrews led his team to victory in the tennis matches at Manoa Club on Saturday afternoon. His squad defeated the team captained by Malcolm MacIntyre by a score of 67 to 60. The tourney was played with no deuce sets, the games counting in the result.

Much interest has been taken in the present tournament, and play at the Manoa Club has improved. A number of visitors were present at the matches, and ladies of the club served dainty refreshments. The results of the play was as follows:

F. E. Steere and E. A. Ross defeated Henry E. Savage and George E. Fuller, 16 games to 8. David L. Olson and A. G. Zabriskie defeated Irwin Beadle and M. M. Graham, 18 games to 10. R. Renton Hind and A. L. Andrews

an error. En Sue was in the limelight yesterday, and the first time up hit safely, stole second and scored when Kan Yen bunted one to the jungles. Kan Yen scored also on Dumshot's error.

En Sue and Kan Yen Star. En Sue scored the third run in the third inning when he walked, stole second, went to third on a passed ball, and scored on Kan Yen's single. En Sue singled to open the seventh, stole second and went to third when Kan Yen and L. Akana were given a life. Ah Lee scored the trio when Perry let his hit get away.

Honolulu scored their only run when Nishi walked, advanced on Williams' hit and scored on Costa's drive to the outfield. This was all for Parera's crew, and despite the score the game was well played, but the Chinese took much of the interest out of the game by their scoring ability.

ARMY GOLFERS TAKE THIRD AND DECIDING MATCH

[Special Star-Bulletin Correspondence.] SCHOFIELD BARRACKS, May 14.—The third and deciding match between the golfers of the Oahu Country Club and the officers of the army stationed on Oahu was played off at the Halewa hotel golf course Saturday and today, and the result was a victory for the army contingent by a score of 12 to 10. The first match of this closely contested and interesting event was played at Schofield some months ago.

The army won by one match. In the return match at the Country Club last month the civilians obtained sweet revenge on their own course; but the last match, which was played on neutral territory, resulted in a clean but not overwhelming victory for the officers. Mr. Kimball of the Halewa hotel has been busy for a week or two putting the course in condition and everything was right for a good match.

The closeness of the score shows that the match was well fought and to the victor belongs the spoils. There were no spectacular scores or matches worthy of particularly special mention; it was a good contest throughout and the army came off with flying colors.

These matches between the golfers of the Country Club and the service have done wonders for the game among the army players and there will undoubtedly be another series arranged to be played in the near future.

NIPPONS BEAT FILIPINOS IN MORNING TILT

Japanese Squad Plays Great Fielding Game; Filipinos Prove Good Hitters

The collection of errorless stars called the Nippons nipped the Filipinos yesterday morning at the opening Sunday game of the Junior League to the tune of 7 to 4. Vice-Consul Fujii, who at one time was a star twirler at the Imperial university, pitched the ball. He fanned Kurasaki on two wide outs, and a close in, and inasmuch as the vice-consul had come out to open things up right, the Nippons played good ball throughout.

The game showed two teams of a different type. One a great fielding team, and it may be said that they did field well, as not a semblance of an error was made by the Nippons in the 39 chances handled. The other team was a hitting team, and the Filipinos can hit. They scored 13 singles off Fukushima, the pitcher who drew the Wasedas, but they didn't grab them in the right place, and three runners were caught at the plate.

Erratic Ball. The Filipinos played erratic ball at times, and if they will get down to business and play steady ball should have an excellent chance to lead the league, as if they keep on hitting they are sure to win games. The Filipino squad wants to throw the ball all the time, and should settle down to steady play, as they lost several opportunities yesterday by throwing the ball all over the lot.

Lacerna is a good pitcher, and has plenty of stuff. He also hits well and is a strength to a team. Tomarra didn't hit tomorrow. He hit yesterday, and was the leading swat of the game. Ramos is a mighty sweet looking ball player, and is always after the play. He is fast on his feet and gets the ball away fast.

Good Hitters. Reyes could be a better ball player than he showed yesterday, but didn't settle down to business in the pinch. Planas at second should do a lot of hitting in the league as he stands up to the place nicely. Batong has a good eye and gets in to the ball while Ortiz and Satumbal made a nice showing yesterday.

The Nippons have a well rounded team. As fielders they shape up with any team in the city, and at bat several of the boys look good. Kurasaki and Komeya made a good showing yesterday with the stick. Tsukiyama and Komeya played a great fielding game and the fans were satisfied with the play throughout, as was evidenced by the applause.

SHAFTER TEAM DEFEATS FAST 159TH TOSSERS

O'Dell and Stewart Stage a Pitching Duel at Fort Ruger Grounds Yesterday

[Special Star-Bulletin Correspondence.] FORT SHAFTER, May 15.—The fast H Company team from Fort Shafter took another scalp on Sunday when they defeated the 159th Company C. A. C. team at Fort Ruger. The Artillery team is considered one of the fastest teams in the island and it took 13 innings of O'Dell's best pitching to decide the game. O'Dell held them down to eight scattered hits and by his steady head work again showed that he is really a great man in the box. By his crooked balls in the first inning he put two out, and Lindsay took care of the third by mastering a hot liner and delivered it to Farmer. H Company succeeded in the first inning in getting one man on first base with one out, but was unable to get any hits through the infield.

It looked as though H Company would score in the second when Harris reached third and Logsdon second with only one man out, but poor base running caused Harris to get caught between third and home plate and Logsdon between second and third. The 159th also got three men on bases with only one man out, but Lindsay caught Benham asleep on second and Farmer getting Hinz's foul ball brought the inning to a sudden finish. The following four innings was a pitcher's battle, neither team having a chance to score.

In the seventh Benham gets on by Harris' error and steals second and with a good lead from second scores on Wamack's single. H Company falls to reach first.

In the ninth H Company starts the pill rolling with a single by Lindsay and Farmer, then Hayes, "the old reliable," knocks out a two-bagger, scoring Lindsay, this tying the score and ending the runs for that inning.

The score remained a tie until the thirteenth inning, when Stewart weakened, allowing H Company to get two hits and score the winning run.

ST. LOUIS VS. MCKINLEY.

St. Louis will meet McKinley High school this afternoon in the first meeting at Athletic Park. If some of the St. Louis players show up as well as they did in the Junior League, then McKinley is due for a trimming this afternoon. The game will begin at 3:45.

FIFTEEN INNING GAME GIVEN AS SAMPLE OF JUNIOR LEAGUE BALL

St. Louis Wins Longest Game Played at Athletic Park in Years—Fourteen Year Old Pitcher Holds Hawaiis Safe for Eight Innings—Fans Pleased With First Impression of Amateurs—Chinese Team Defeats Braves in Opening Game

Mayor John Lane started something Saturday afternoon 1916 Honor journeyed out to Athletic Park to open the season of the Junior League, by pitching the first ball. As an opener, the mayor should rank in Class A. Mayor Lane has opened a number of things, basically speaking, of course, but this time he did a good job, and as a result the Junior League season started off with a bang.

It's all wrong, Watson! This idea of calling the players who cavorted on Saturday Juniors is all right enough considering that a number of them have not added to the barber's horde, but fans usually connect Junior players with not being strictly up to snuff. Here's where Mr. Fan errs. The proof is convincing, and next Saturday afternoon there is sure to be a banner crowd opener.

Speaking of an opening, which was handled ably by Mayor Lane, the teams could not have furnished a better entrance if they had planned it all out. Opening a season with a 15-inning game isn't done in the front families of baseball nowadays. It has been many moons since a game that length has been staged at Athletic Park, and this game was what one might call a hummer.

St. Louis won a hard-fought game from the Hawaiis, just about the time that the sun was doing the last act in Honolulu. Fifteen innings of good baseball all jammed into an afternoon of pleasure. There were a number of stars in the game, and those who were teams play again.

Kid Pitcher Stars. Out of the swarm of players who made good in this game Hayselden, the little southpaw of the St. Louis team, perhaps deserves the most mention. According to the books he is only 14 years old, and if this be true, then about the time he is 21 there should be some great pitching by this lad.

From the eighth inning to the fifteenth this youngster held off the Hawaii batters to two hits, and not a single run was garnered off his delivery. He had an assortment of curves and a change of pace, and used both to advantage. Hollinger, another southpaw, also made a great showing during the first of the game, and with a little experience should be a comer.

Many Stars. Monix had plenty of stuff to begin the game, but did not prove to be as steady as Hoke, who pitched a great game, battling with Hayselden for eight innings. Rosehill handled both pitchers in nice fashion. Then Cushingham returned to the game, and stationed at first for the Hawaiis, handled 13 chances without an error.

The fans are still talking about the great infield play of the St. Louis team, and it was a great exhibition without doubt. Fernandez at first handles himself like a big leaguer and is promising material for any team. Carvalho at second played a great fielding game and was the star with the stick, securing five hits in six times up. Little Haneburg at short played a great game throughout, the Kaupua took care of eight chances, making only one slip.

This Is Some Fielding. When a junior infield plays through a game in which the teams are battling through for 15 innings, and every slip means a run, and handles 36 out of 37 chances, they are playing ball, juniors or not. Mahaula of the Hawaiis also made a great showing, taking care of 10 chances without a slip. Spencer was the leading hitter of the Hawaiis, landing three singles.

Hawaii scored first, when Mahaula and White came home on Cushingham's triple, and Spencer scored in the second on his hit and a swat by Mahaula. Rosario singled in the fourth, and brought the crowd to their feet when he stole home, making a great play.

Carvalho Was Busy. Carvalho singled in the fourth, and scored on an error and infield out. Hollinger was safe on an error in the next inning, a single, a walk, and Fernandez hit brought in two runs, and a third came in on Carvalho's sacrifice fly. Hawaiis tied it up in the seventh when Hoke singled, scoring Spencer. After that it was a pitcher's battle until the fifteenth inning, when Carvalho tripled and in the throw home Hoke erred and the fans journeyed back to the festive board.

Chinese Win First One. In the first game the Chinese team demonstrated that they could play air-tight ball, and won out by a score of 6 to 2. The Braves secured as many hits as the Chinese team, but errors at critical times lost the game. Lee of the Braves played a poor game behind the bat, and was responsible for three of the runs.

The two teams are about evenly matched, but the Braves showed stage fright in the early innings. After that they settled down, and played good ball throughout. Both Perry and Kau showed up well, neither pitcher allowing more than two hits in one inning.

Kong Tai Stars. Kong Tai Pong was the star of the

day for the Chinese, as he handled seven difficult chances at third, and in addition secured two doubles and a single.

Kim Wai, Lai Shin and Bun also made a good impression in the first game. The Braves presented a number of good players, and the work of Rosa at second and Silva at the initial station was especially good. Ornellas and Nelson led the Braves in hitting. Manager Olson has some good talent, and the next time out this squad should make a better showing.

Through the courtesy of the mayor and the board of supervisors the Hawaiian band was present at both games and played throughout the 24 innings. Every time a side was retired they played, and inasmuch as they only had arranged music for 18 innings, the leader respectfully requests that the fans pardon them for playing some of the selections twice.
